Quotes from *A Power Within*:

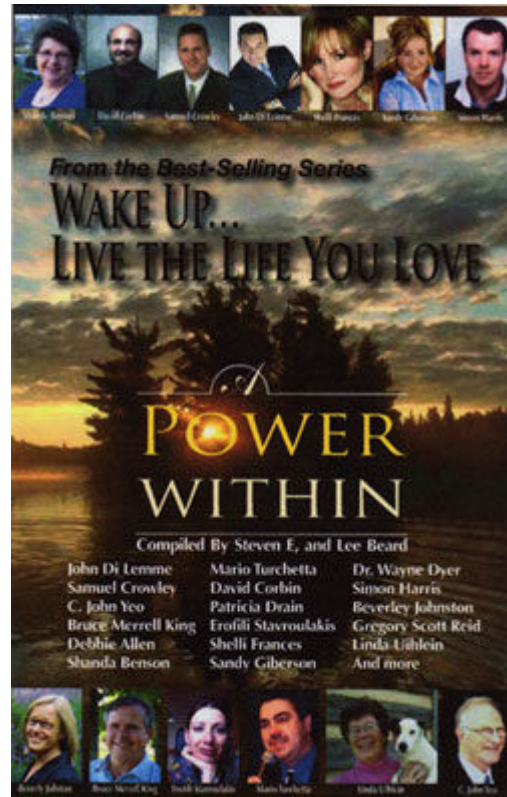

We come into this world with a dream or dreams that are uniquely ours. We come with ... something that only we can give to the world... Jasmine Sampson

Everything that is created comes out of silence – Wayne Dyer

I love what I do now. Today I could write a thank you note to the "powers that be" at the bank for letting me go – Kathleen Hudson

It's not where you have been; it's not where you are today. It's all about your future. – Steven Encarnacion
